Family Reunion.

On the 29 of July, there was a family reunion at the home of Mr. and Mrs. S. A. Roper, near Liberty. All their children and family being present except their oldest son of Easley, who could not be there. Many friends and relatives were also there. All seemed to enjoy the day in the grove under the beautiful wide spreading oak trees.

There was a long table made for the occasion, which was loaded with the best of eatables. Good music and singing in the afternoon. These were one missing we loved so well, since the last reunion, gone to his long eternal home, where I hope we will all meet each other, which will be a greater reunion in Heaven, where parting will be no more.

One present.

Mt. Pisgah Church.

Last Sunday will not soon be forgotten by the people who attended services at Mt. Pisgah church in Anderson county. The crowd was immense, the spirit of worship earnest, and intense interest was manifested from the beginning of the worship to the close. There seemed to be a pent up excitement hard to control. It was evidently the power of God's Spirit upon the congregation. After the sermon the pastor baptized 28 into the fellowship of the church and 10 were added by letter, making a total of 38. The ever increasing congregation demands more room, so we believe the house will have to be enlarged. If the brethren take a notion to build they are abundantly able to do so. Our hearts rejoice greatly to see this dear old church, which has been comparatively asleep for some time, waking up. May the good work go on till every member will be found at the front ready to do their duty.

Messrs. G. A. Ellis and R. T. (Burch) Lewis have mighty fine corn crops this year, and report that if it keeps on growing they will have to haul the ears from the fields on the running gears of wagons, like hauling logs. Easley Progress and Greenville Piedmont will please notice.

Pickens County S. S. Convention

The sixth annual convention of the Pickens County Inter-denominational Sunday School Association will meet in the Methodist church at Pickens, S. C. on Wednesday, September 10, next at 10 o'clock promptly. The executive committee is hard at work securing speakers and making all arrangements necessary for the best convention yet. There will be a morning, afternoon and night session. The program is now being made up and has some very important questions for discussion. The purpose of this association is not to help any one denomination, but to help all denominations so that every man, woman and child in Pickens county will be in department of the Sabbath school. This is due to nothing but organization. Pickens county has two townships organized and a systematic canvass shows a large increase in the enrollment over last year. This increase is due to nothing but organization. All Sunday school folks, working together for one common purpose, the salvation of souls.

Each school is requested to elect or appoint three delegates who, with the superintendent, will represent the school. These delegates should be elected at once and the names sent to the chairman of the entertainment committee so that the entertainment may be provided. Mr. Taylor H. Stewart, Pickens S. C., is chairman. A committee on music has been selected and good music will be a special feature of the convention. The full program will be published as soon as completed.

The farmer's institute and picnic at T. R. O'Dell's, near Liberty, last Wednesday, was well attended and great good will result from the meeting. Practical talks on subjects of interest were made by men who know and a great deal of interest was manifested. The institute at Easley Saturday was also a great success and the most largely attended meeting of its kind in the county so far this year.

Mr. Editor: Please permit me place in your valuable news messenger to say that the "Old ex-slaves, reunion, Aug. 7 at Griffin Ebenezer Baptist church was a brilliant success. There were about a thousand people on the ground, who made the day delightful and enjoyable by their good order and beautiful behavior. The many speeches, though brief, were full of wholesome counsel, timely advice and cheerful encouragement for all. In the afternoon the president, the Rev. R. South-

erland invited the Old Folk to a royal feast, which was participated in with great satisfaction. This was the fourth ex-slave reunion celebration and was considered one of the best in the history of the organization.

Money For This State

Columbia.—A special from Washington states that because of the strong showing made here by the South Carolina bankers when they appeared before Assistant Secretary Williams of the treasury relative to the distribution of the \$50,000,000 for crop moving purposes, it is understood that between \$1,000,000 and \$1,500,000 will be sent there.

Representatives of banking interests from Columbia, Charleston, Greenville and Spartanburg reached Washington early in time for the meeting and are loud in their praises of the method Secretary McAdoo chose to relieve money stringency at a time when funds are most needed in the South and West.

Greenville has Perry Beattie, J. W. Norwood and A. L.
